OUR CARE

Devotion
We endeavour to listen and respect your requests at all times.

Reliability
We are the provider of choice in the area for all types of care, from a short respite to permanent support.

Affection
Care is our passion and this mantra is shared by each and every member of our long serving staff team.

The many types of care that we offer support with include dementia care, residential, day care, palliative care, reablement and respite care, among other specific requirements.

Facilities

Our 40 state of the art rooms are all en-suite and benefit from all modern facilities.

OUR CARE HOME

Our lovely grounds are ready for summer!

Our staff are loyal, compassionate, long standing and very qualified.

We serve a variety of home cooked locally sourced meals.

Proud to have provided hundreds of families with tailored, compassionate support.

Testimonials

The family of Kathleen Dean wish to thank the management and staff of Hoyland Hall. For the care and kindness shown to Kathleen.

Dave and Jenny - relatives

Thank you to all the staff at Hoyland Hall for looking after aunt these last few years also for the kindness shown to us whenever we have visited.

OUR STORY

Our Founders are a team of very experienced healthcare professionals, with many decades of combined expertise earned working for various large UK social care providers. The vision to provide a premium class service and the best cost of care to quality ratio in England has brought us together. Hoyland Hall is part of the first chapter of a story about compassionate care and caring people.
